PARISH WORKBOOK  
ST. JOACHIM - OLD MINES

# ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

# ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.  
Amen.

## GUIDING TEXTS

### REV. 21:3-5

*I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.*

*He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”*

*The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”*

## GUIDING TEXTS EVANGELII NUNTIANDI (#18)

*For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."*

*But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.*

## GUIDING TEXTS JOY OF THE GOSPEL (#27)

*I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.*

# STRATEGIC PASTORAL PLANNING INITIATIVE OUTCOME

**Develop a plan that will make all things new enabling a vibrant Catholic presence in every square mile of the Archdiocese of St. Louis for the next century**

## **A Renewed Church**

Gospel renewal in our parishes, schools, and other ministry efforts

## **A Renewed Mission**

Enhance our evangelization efforts to those on the margins of society

## **A Vibrant Future**

Secure a vibrant future for the Church of St. Louis

# STRATEGIC PASTORAL PLANNING INITIATIVE

## GOALS

1. **Unceasing Prayer.** Engage all individual Catholics to reflect upon the need for Jesus Christ in their daily lives and call upon the Holy Spirit to guide our actions to fully share the love of the Lord in every encounter.
2. **Unifying Vision.** Articulate and implement a vision for evangelization that empowers and expects every baptized Catholic to spread the Gospel message and ensures a Catholic presence in every square mile of the Archdiocese of St. Louis through missionary outreach, parish and school footprint, and dynamic leadership.
3. **Intentional Stewardship.** Define and develop a plan that will appropriately reallocate resources throughout the Archdiocese of St. Louis that will be supported by structures at the diocesan, parish, school, and agency levels to ensure long-term viability and vibrancy of the Catholic presence.

OUR DIOCESE  
ARCHDIOCESE OF ST. LOUIS

# ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

# OUR TERRITORY FOR EVANGELIZATION

# OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

# OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

## The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

## The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

# WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

# FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
  - Only 40-50% of our elementary school children live in the boundaries of their parish school.
  - The cost to educate our students continues to outpace tuition increases.
  - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

# OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

OUR PLANNING AREA  
PLANNING AREA #14

# OUR TERRITORY FOR EVANGELIZATION

# ABOUT OUR PLANNING AREA

- The planning area is in the Counties of Jefferson, St. Francois, Washington and Franklin with a small portion to the east in Ste. Genevieve County. The geography of this area is defined by Interstate 44, Highway 67 and Routes 8, 21, 30, and 47.
- This planning area covers the southwest corner of the diocese and includes parishes from the Festus, Washington and Ste. Genevieve deaneries. There are 12 territorial parishes, 2 missions and 4 elementary schools. Currently there are 10 diocesan priests assigned to this group.
- There are clusters of church buildings within 20 minutes driving time and along travel routes.

# OUR PLANNING AREA IS RURAL AND NOT VERY CATHOLIC

- Total population in the planning area in the 2020 census was down 1% from 2010.
- The population 55 or older increased from 22% in 2000 to 30% in 2020.
- Only 8% of the population is registered Catholic, which is lower than the Diocesan average of 18%.
- Median household income in the area is \$47,951, which is below the archdiocesan average of \$60,700.

## REGISTERED HOUSEHOLDS

- Registered households in the planning area declined by 6% during the past decade, compared to a decline of 7% for the diocese.

# OUR PLANNING AREA SACRAMENTAL TRENDS

## MASS ATTENDANCE

- Mass attendance has declined.
- Mass attendance declined 29% during the decade, similar to the 30% decline for the entire archdiocese.
- Mass attendance as percent of capacity was similar to the archdiocesan average of 35% in 2019 and 25% in 2021.

# OUR PLANNING AREA SACRAMENTAL TRENDS

## BAPTISMS, FUNERALS, & K-8 FORMATION

- There is an aging Catholic population with funerals in excess of baptisms.
- Catholic school enrollment declined 16% during the decade, though bolstered by non-Catholic students.
- PSR enrollment declined by 41% during the decade about the same as the 40% decline for the diocese as a whole.
- Unlike the diocese as a whole, Catholics in this planning area tend to prefer PSR to Catholic day schools.

OUR PARISH  
ST. JOACHIM - OLD MINES

## ABOUT OUR PARISH

- One of the oldest parishes in the diocese, St. Joachim dates to 1821 as a mission and 1828 as a parish. The Old Mines area dates back 300 years when the French were mining lead in the area. The parish of Ste. Genevieve provided sacraments to the inhabitants during the 1700s and by the time the parish was founded, the population in the area was very French and very Catholic. From 1855 to 1890, the parish averaged 100 baptisms per year, and French remained the main language of the people of the area until into 1920s. When the mines closed, many of the people stayed and farmed, hunted, and fished. The parish school opened in 1922 and enrollment grew to over 450 during the 1950s.
- The parish has the only Catholic school in Washington County. The parish opened a high school in 1951 and it continued until it closed in 1972. As recently as 1980, the percent of the resident population that was Catholic was over 50%, but today it is only 12% Catholic. The demographics changed and recent migration to the area tends to be non-Catholic.
- This is a parish of 350 households and 46 children in the parish school. The oldest continuing operating parish church in the diocese, St. Joachim church was dedicated by Bishop Rosati in 1831 and seats 300. The parish has its own cemetery.

# ABOUT OUR PARISH

- The population in the area has continued to grow over the past three decades though growing a predominately non-Catholic population.
- Parish membership has been declining slightly, though Mass attendance pre-COVID was stable and strong.
- Offertory is strong and parish reserves have been increasing. School still requires subsidy from the Archdiocese.

# OUR PARISH AREA HAS GROWN IN THE LAST THREE DECADES BUT MOST NEW RESIDENTS ARE NOT CATHOLIC

- The population of the area ranged from 2000 to 3500 for 150 years. Then in the last decades, population grew to its highest level ever.
- The parish was predominately Catholic until 1980, when most new migrants to the area were non-Catholic
- Median household income is \$46,300 which is well below the archdiocesan average of \$60,700.
- 12% of the resident population is Catholic which is below the archdiocesan average of 18%.

# WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are more parishioner households (173) than there are Catholic households living in the boundaries (147).
- This means that more Catholic households come into St. Joachim parish from outside the boundaries than leave the parish area to affiliate with another parish.
- Over 20% of St. Joachim parishioner households (36) live in St. James territory.

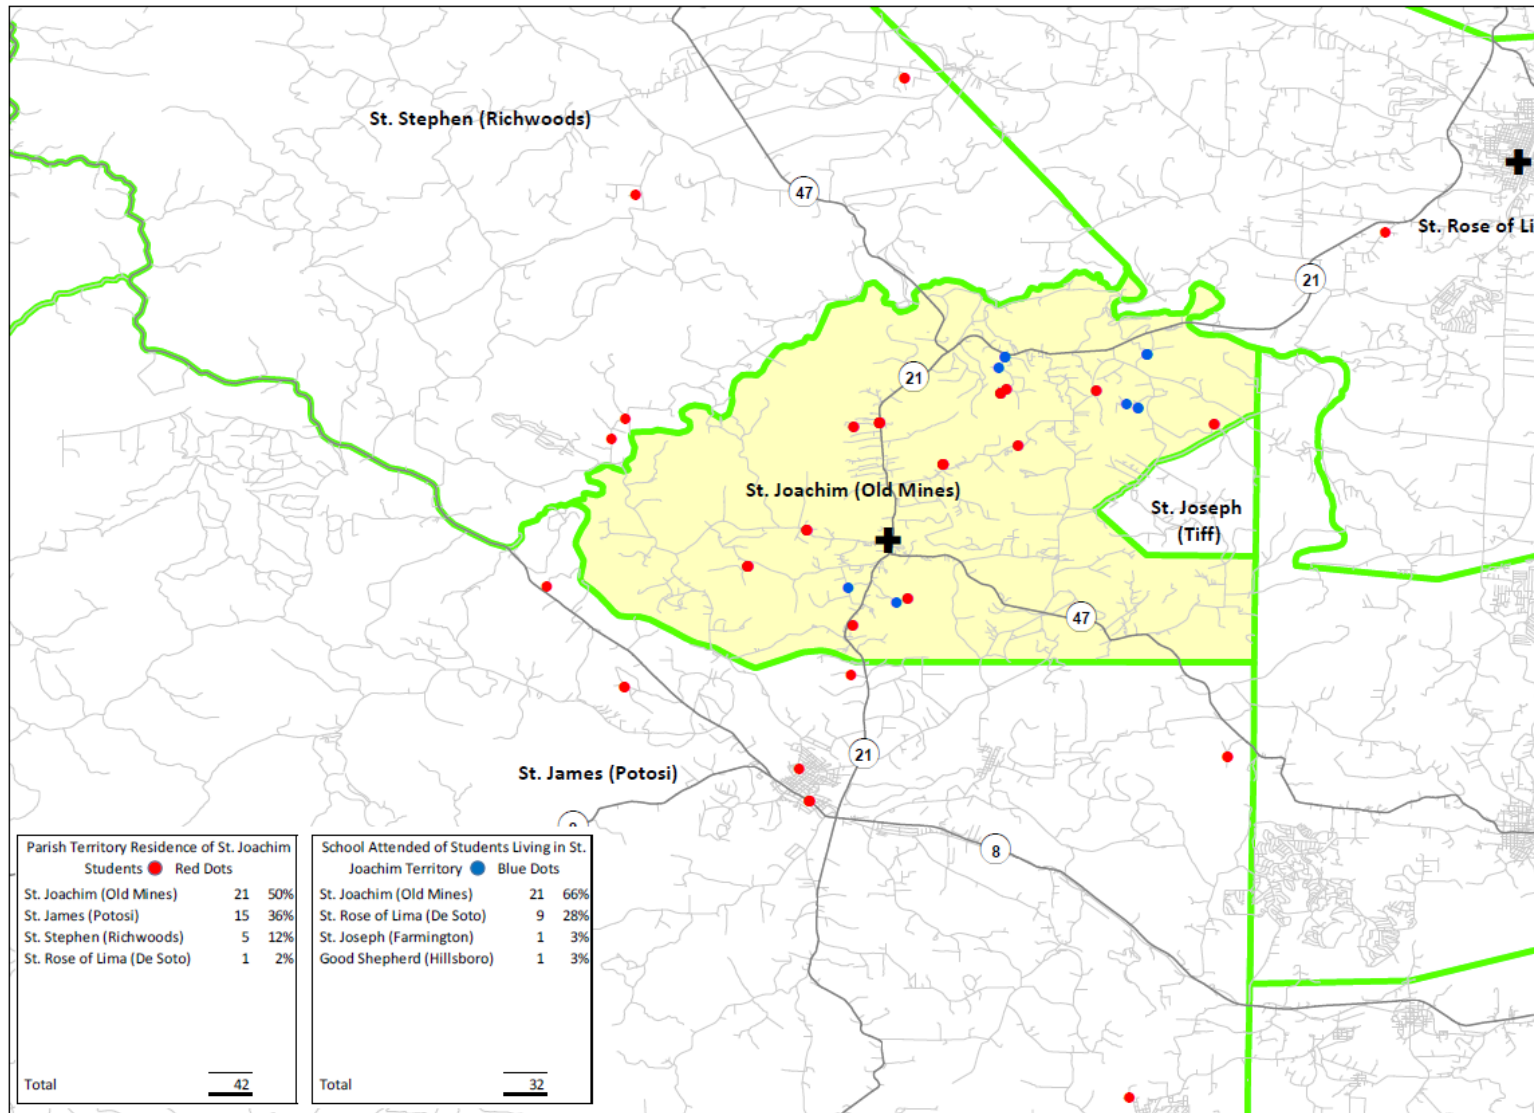

66 Percent of parishioner households live within the parish boundaries  
78 Percent of Catholic households living within the parish boundaries are parishioners

# WHERE CATHOLIC SCHOOL STUDENTS LIVE

St. Joachim (Old Mines) - Residence of Students (K-8)  
2021-22

- Half of St. Joachim students come from within the parish boundaries and half come from the two neighboring parishes without schools.

# OUR PARISH SACRAMENTAL TRENDS

## REGISTERED HOUSEHOLDS

- Parish membership has been declining throughout the decade.

# OUR PARISH SACRAMENTAL TRENDS

## MASS ATTENDANCE

- St. Joachim is one of the few parishes in the archdiocese with increasing Mass attendance pre-COVID.
- Mass attendance as percent of capacity is lower than the archdiocesan average of 33% in 2019 and 25% in 2021, reflecting a larger parish church.
- Pre-COVID Mass attendance percent of registered parishioners was 32-36%, above the archdiocesan average of 27-29%.

# OUR PARISH SACRAMENTAL TRENDS

## BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- An aging parish with funerals well in excess of baptisms.
- School enrollment had been increasing throughout the decade (until 2021). Enrollment has been bolstered by non-Catholic students.
- PSR enrollment has been on a slight increase over the past decade.

# OUR PARISH FINANCIAL TRENDS

## OFFERTORY CONTRIBUTIONS

- Offertory contributions have been stable over the past decade, though declining the last two years.

# OUR PARISH FINANCIAL TRENDS

## INVESTMENT IN CATHOLIC SCHOOLS

- This graph shows parish investment plus Annual Catholic Appeal investment in the school. Together, this combined sum is well above the recommended 20-30% of offertory giving.
- Since Annual Catholic Appeal investment in the school has averaged \$100K to \$170K per year, there has not been much need for direct parish subsidy to the school.

# OUR PARISH FINANCIAL TRENDS

## PARISH FINANCIAL CONDITION

- Parish revenue in excess of expense has allowed parish reserves to grow over the decade.
